

GMIT Student Record Collection App

Wiki

By Dylan Keane

HomeScreen:

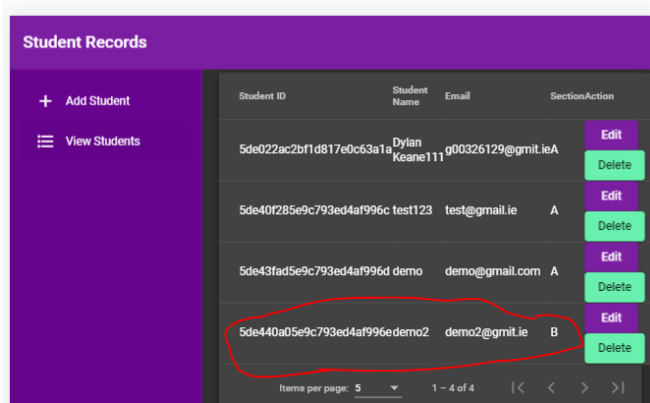

Upon serving the app the user will see the following screen.

From here the users can add a student by clicking the add student button on the side nav.

The screenshot shows the 'Add Student' form. It has a purple sidebar with a '+' icon and 'Add Student', and a list icon with 'View Students'. The main area has a dark background with a form to add a new student. The form fields are: Student name (demo2), Student email (demo2@gmit.ie), Section (B), Add subject (english), Date of birth (12/3/2019), and Gender (Male selected, Female unselected). A red 'Submit' button is at the bottom.

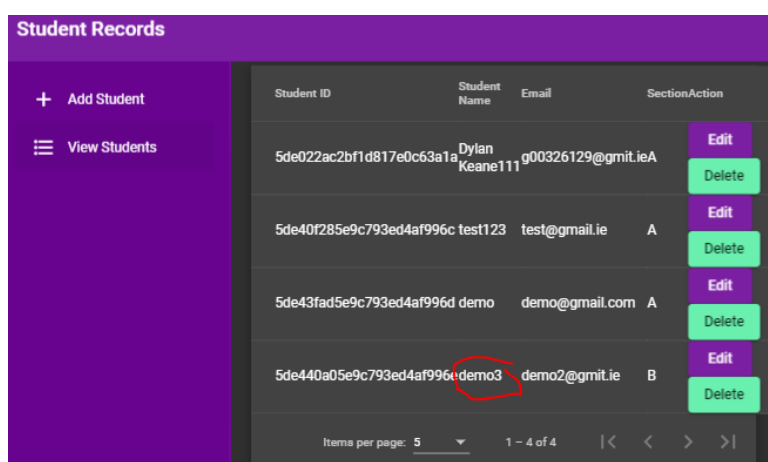

We can see it being added to the student list page when we are brought to it after clicking the submit button.

The screenshot shows a web application titled "Student Records". On the left is a sidebar with a purple background containing a "+ Add Student" button and a "View Students" link. The main area displays a table with the following columns: Student ID, Student Name, Email, and SectionAction. There are four rows of student data. The fourth row, for 'demo2', is circled in red. Each row has an 'Edit' button (purple) and a 'Delete' button (green) in the SectionAction column. At the bottom, there is a pagination bar showing 'Items per page: 5' and '1 - 4 of 4'.

Student ID	Student Name	Email	SectionAction
5de022ac2bf1d817e0c63a1a	Dylan Keane111	g00326129@gmit.ieA	Edit Delete
5de40f285e9c793ed4af996c	test123	test@gmail.ie	A Edit Delete
5de43fad5e9c793ed4af996d	demo	demo@gmail.com	A Edit Delete
5de440a05e9c793ed4af996e	demo2	demo2@gmit.ie	B Edit Delete

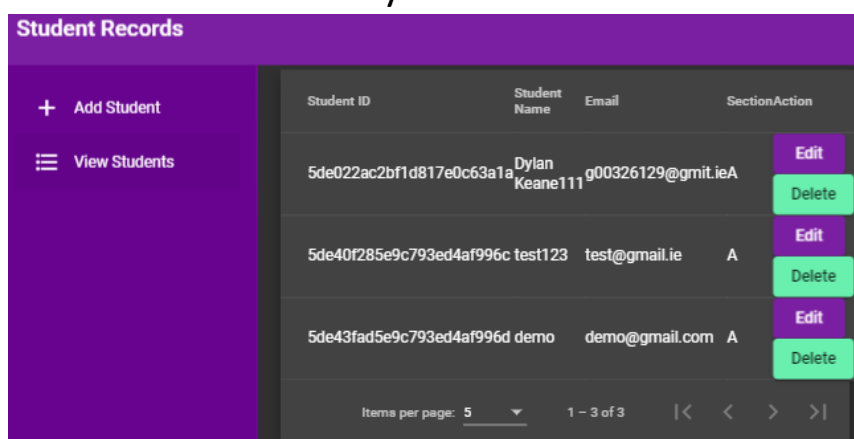

If we click the edit button we can update the fields to our wishes and then see the changes once the button is clicked. Below I am showing the email of demo2 from the previous picture being updated to demo3

This screenshot is similar to the previous one, but the student 'demo2' has been updated to 'demo3'. The email field now shows 'demo2@gmit.ie' (which appears to be a typo for 'demo3' in the context of the update). The 'demo2' entry is circled in red. The pagination bar now shows '1 - 4 of 4'.

Student ID	Student Name	Email	SectionAction
5de022ac2bf1d817e0c63a1a	Dylan Keane111	g00326129@gmit.ieA	Edit Delete
5de40f285e9c793ed4af996c	test123	test@gmail.ie	A Edit Delete
5de43fad5e9c793ed4af996d	demo	demo@gmail.com	A Edit Delete
5de440a05e9c793ed4af996e	demo3	demo2@gmit.ie	B Edit Delete

If we click the delete button the record will be deleted below I deleted demo3's entry.

This screenshot shows the student 'demo3' has been deleted. The table now only contains three rows. The pagination bar at the bottom shows 'Items per page: 5' and '1 - 3 of 3'.

Student ID	Student Name	Email	SectionAction
5de022ac2bf1d817e0c63a1a	Dylan Keane111	g00326129@gmit.ieA	Edit Delete
5de40f285e9c793ed4af996c	test123	test@gmail.ie	A Edit Delete
5de43fad5e9c793ed4af996d	demo	demo@gmail.com	A Edit Delete

The page is also responsive so the sidenav turns into a bootstrap hamburger menu.
